

SHUTTLE PAGE 1

Follow the numbered instructions, you will need glue for some parts and some pieces may fit tightly . It is hard to make a design out of wood that may swell in humid weather and be loose when the substrate is dried out , so keep sandpaper and a bottle of glue handy and have fun!

USE GLUE WHEN NEEDED

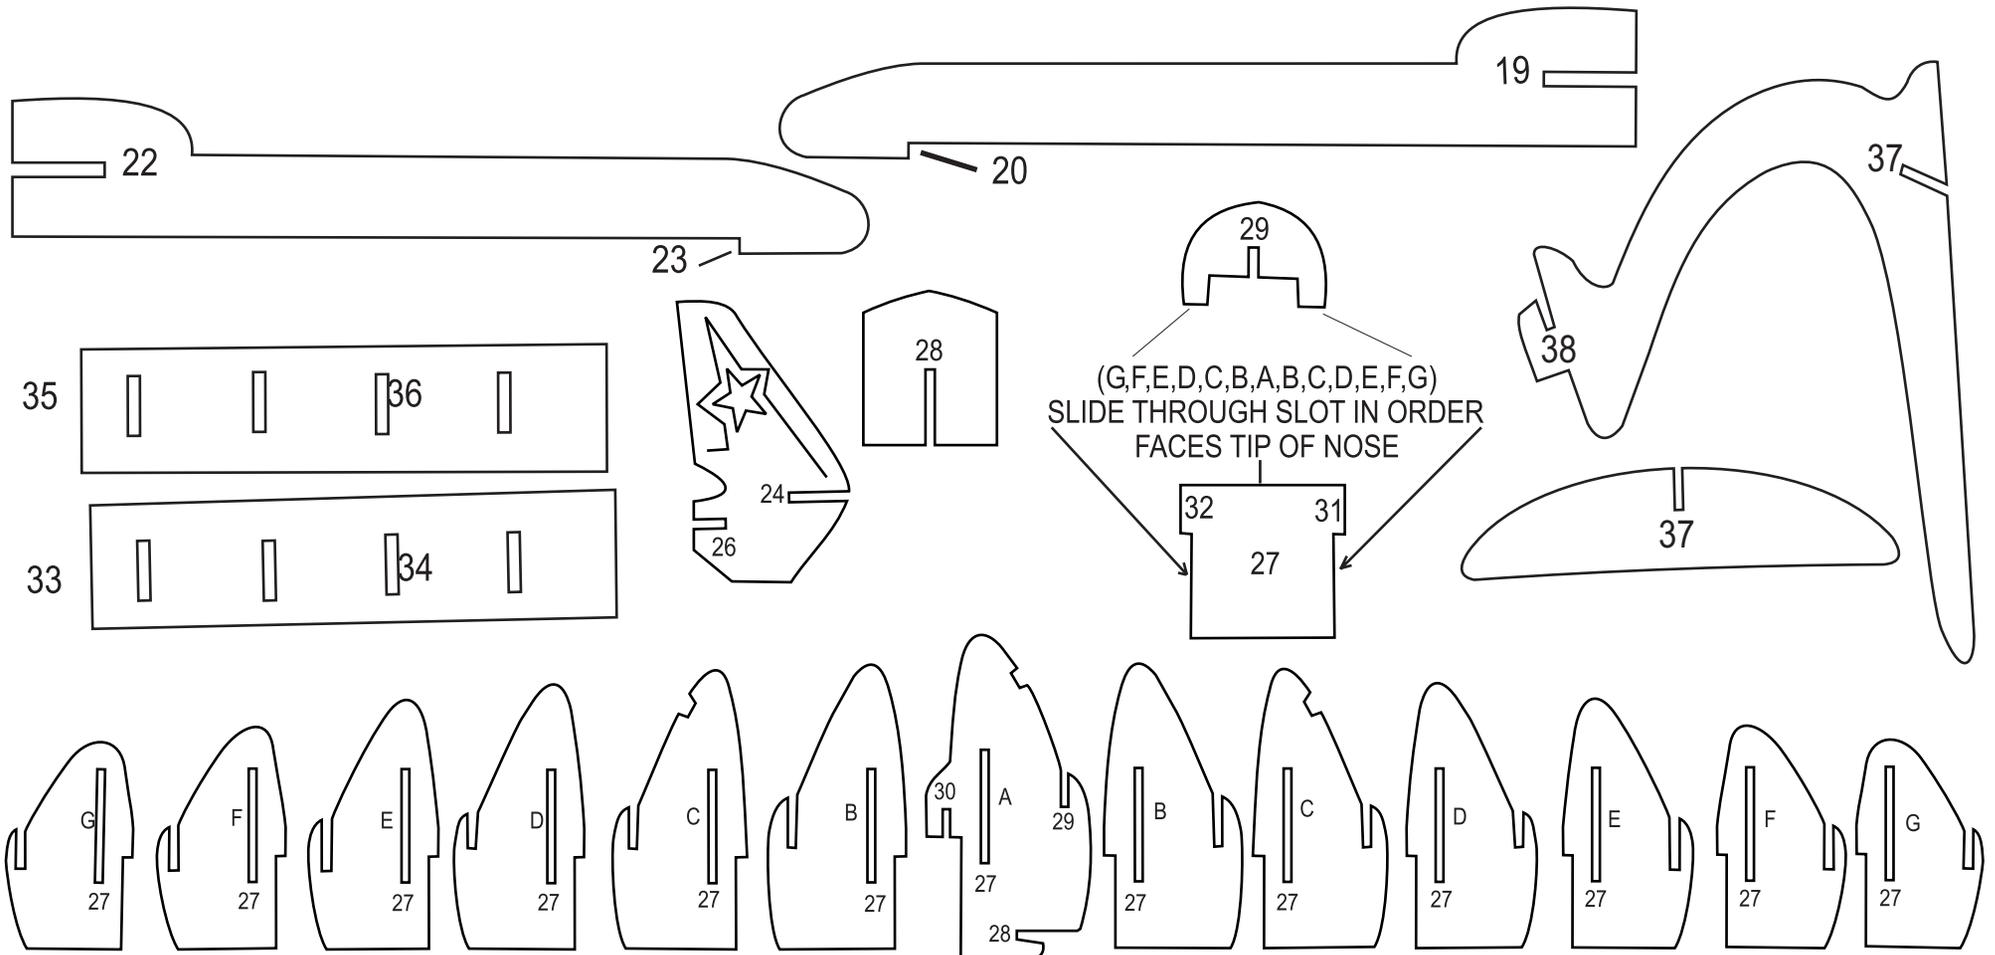

This puzzle is made from 3mm (1/8") Baltic Birch Plywood and has been designed for persons over the age of 12.
